The Music Shelf

Dictionary of Musical Terms
Produced by Jessy Sauchuk
Revised by Cari Levreault
Santorella Publications, Ltd.
13 Pleasant Avenue, Danvers, MA 01923
TS220, \$8.95, www.santorellapublications.com

"Dictionary of Musical Terms" is a handy reference for music students featuring 126 pages of definitions, reference charts and music theory, originally published in 2000 and revised in 2010. In addition to many other appendices, it contains schematic charts for first, second and third rondo forms plus sonatina and sonata forms for analysis. English translations of German, French, Italian and other phrases and expressions are presented. Organized alphabetically with multiple Appendices of other relevant musical information at the end, the "Dictionary of Musical Terms" is the music student's best friend to aid in unlocking the mysteries of music.
